

## 2. Hinweis zu den Vergabeunterlagen

Sehr geehrte Damen und Herren,

aufgrund einer eingegangenen Nachfrage werden nachfolgende bzw. beigefügte Erläuterungen/Hinweise für die Erstellung des Angebotes erteilt:

Frage 1:

Dear sirs, with reference to this project our company is not complying with these points:

- 3) Information on total turnover over the last three financial years, with a minimum of EUR 3,000,000 per year.
- 4) Details of at least 3 significant, comparable services rendered in the last eight financial years (references), stating the scope, turnover, service time and public and private clients (with contact person if possible)

In fact we are a small company. In the last years, we worked mainly in the private sector for small plants; we faced also significant projects (> 100.000 € ) but more than 8 years ago.

On the other hand we hold a long experience (since 1999).

Let me know if an offer from us is possible.

Antwort 1:

“The selection criteria are compulsory. Unfortunately, applicants who do not fulfil these criteria cannot be considered in the award procedure.”

Freundliche Grüße
