

The diagram is a detailed architectural floor plan of a technical room, possibly a railway station's electrical control room. It is divided into several functional areas:

- Top Left (EB-Trafo):** Contains a transformer labeled "EB-Trafo". Below it is a toilet and a sink area with the text "Wand- und Bodenfliesen" (Wall and floor tiles) and "WC-Entlüftung über Dach" (WC ventilation over roof). A door is labeled "MZ-Tür 1.00/2.00".
- Top Center (Bahn-Trafo 2):** A large rectangular area labeled "Bahn-Trafo 2" with four vertical lines extending to the ceiling.
- Top Right (Bahn-Trafo 1):** A large rectangular area labeled "Bahn-Trafo 1" with four vertical lines extending to the ceiling.
- Middle Left (HA Zähler):** A small area labeled "HA Zähler" (High Voltage Meter).
- Middle Center (NS-Anlage):** A section labeled "NS-Anlage" containing a "Melde-Bedienfeld FW" (Alarm control panel), "AC-Verteilung" (AC distribution), "DS-Verteilung" (DS distribution), and "Batt." (Batteries).
- Middle Right (MS-Anlage):** A section labeled "MS-Anlage" containing "Einspeis." (Feeding), "Längstr." (Longitudinal), "Einspeis." (Feeding), "Übergabe" (Transfer), "Messung" (Measurement), "EB-Trafo", "Trafo 2", and "Trafo 1".
- Bottom (GS-Anlage):** A large section labeled "GS-Anlage" containing "Str 3", "Str 2", "Str 1", "Umgeh." (Bypass), "Ein-speisung" (Feeding), "Gr1", "Rück-leitung" (Return line), and "Gr2".
- Structural Elements:** The plan shows walls, doors, and various electrical symbols. Three large downward-pointing triangles at the top indicate roof structure or ventilation points. The bottom edge has three labels: "RFR/KA", "RFR/KA", and "RFR/KA".
