Plan view of the building footprint. The drawing shows a complex polygonal shape representing the building's footprint. It is overlaid with a grid system. The vertical grid lines are labeled A through K, and the horizontal grid lines are labeled 1 through 15. The building is divided into two main sections: 'WEST' on the left and 'OST' (East) on the right. A north arrow is located in the upper right corner, pointing towards the top of the page. The word 'NORD' is written vertically along the grid line A. The word 'WEST' is written horizontally within the western section, and 'OST' is written horizontally within the eastern section. The grid lines are numbered 1 to 15 from left to right. The vertical grid lines are labeled A through K. The horizontal grid lines are labeled 1 through 15. The building footprint is bounded by grid lines A through K and 1 through 15. The word 'NORD' is written vertically along the grid line A. The word 'WEST' is written horizontally within the western section, and 'OST' is written horizontally within the eastern section. The grid lines are numbered 1 to 15 from left to right. The vertical grid lines are labeled A through K. The horizontal grid lines are labeled 1 through 15. The building footprint is bounded by grid lines A through K and 1 through 15.
