

The image displays two technical site plans of a sports facility, likely a stadium or sports center, oriented horizontally. Both plans show a large oval running track with a central field area. The top plan uses green and orange color-coding to delineate different zones, with orange lines indicating specific paths or boundaries. The bottom plan uses blue and green color-coding for similar purposes. Both plans include numerous elevation markers (e.g., 1358, 1356, 1354, 1353, 1345, 1340, 1319) and a north arrow in the top left corner. The facility is bordered by 'Georgewitzer Stra er' on the top and right sides. To the right of the main facility, there are two rectangular buildings labeled 'Tennishalle'. The plans also show various smaller structures, parking areas, and landscaping elements like trees and shrubs. The overall layout is detailed, showing the precise placement of buildings, paths, and natural features.
